Prophetic Update:

THE REVELATION OF BLACK JESUS

For the past sixty years, the vast majority of Black American women, and the down low black preachers, politicians, “stars” and betas who exploit them, have chosen to identify with the so-called Democratic Party. And yet, from its radical pro-slavery beginning in 1828 to this day, this treasonous “elite” cabal has remained the upright ‘black’ man’s greatest enemy.

But in 2024, thanks to Russian President Vladimir Putin, a ‘white’ man, the truth has been revealed before the whole world, that the *real* Christ is a ‘black’ man...

Now suddenly, many of these bought and sold black traitors are pretending as if they were not guilty of bowing before their “liberal” masses – and worse – while they brutally slandered and oppressed the “uppity blacks” who have followed the *true* Jesus, Yahushua, and have faithfully borne their crosses all along. And so it is.

Behold: The Divine Judgment is set – and all faithful Hebrew Yisraelites in Christ, and true Christian citizens and subjects of the Holy Nation, shall be vindicated and greatly rewarded! But the traitors, both ‘black and white,’ are now seen by the whole world for exactly who they are – and shall be fully recompensed by Almighty YAH according to their works, as it is written.

YAH Khai v’HalleluYAH!

IT'S KINGDOM TIME.
