TRUE CHRISTIANITY

House of David Official Statement:

The House of David, the Church at Victorville, and the Kingdom Network, in fulfilling our call to culturally reconnect our people to the Holy Covenants, do hereby declare and decree; that the Hebrew Yisraelite demonizing of the word ‘Christianity’ as representing the false church is etymologically incorrect, historically inaccurate, structurally short-sighted, and strategically unwise.

The Truth:

- The first-century Messianic Hebrew Yisraelites, being fluent in Koine Greek, the Ebonics of their day, undeniably referred to themselves as “Christianos” – which is simply a Greek word, later translated into the English word ‘Christian,’ and derived from the root word ‘Christos,’ meaning “an anointed one” (1 Kefa-Peter 4:16; Acts 26:28).
- The Messianic-Christian churches were gradually driven underground by a treacherous Roman military campaign, targeting the Desposyni – Yahushua’s Davidic kinsmen who presided over all Christians, until their three-hundred-year-plus rulership was overthrown and usurped at the

onset of Roman Catholicism (Eusebius – Church History: Book II, Chapter 1; Book III, Chapter XXXII).

- The anointed Melchizedek Order of the Royal Priesthood restored by Christ was co-opted by a counterfeit religious system; founded on the *pseudo-Christian* Mithraism of Roman Emperor Constantine I, and formalized at the Ecumenical Council of Nicaea, early in the fourth century.

Finally, the fact that most Yisraelite camps embrace the word ‘Christ’ and yet demonize the word ‘Christian’ is a glaring example of our cultural arrogance – in alienating the vast majority of the people we seek to restore, based upon a word that simply means “an anointed one.”

Behold, Hebrews: When we as anointed Yisraelites designate the followers of Catholicism and Churchianity as Christians, we legitimize the same religious systems we reject, by referring to those who have deceived our people as “Christianos” – anointed ones. YAH forbid!

Today, the man-made religion mistakenly referred to as “Christianity” is a universal, multi-denominational, profit-driven “non-profit corporation,” consisting of many warring factions; with each variation rooted in the pseudo-Christian Catholicism of fourth-century Rome.

The House of David is the Hebrew Yisraelite Royal Order of The Kingdom Commonwealth of Yisrael; and the Founding Body of the Church at Victorville- a global, Messianic-Christian non-501(c)3 association, located in the High Desert of Southern California.
